What makes LV Care so different?

Everything we do puts the resident at the heart of things.

The care and services we provide are delivered by trained professionals who are dedicated to enriching lives by looking after and supporting health, wellbeing and safety.

Nursing homes

Our Nursing and Residential Homes enable you to enjoy living in a beautiful home, whilst ensuring you have full nursing assistance on hand. Your independence and quality of life remain paramount and every resident is treated with the utmost respect.

Our nursing teams are highly skilled, regulated and offer a premier standard of care. Whatever your personal circumstances, we will find the right solution for you.

Home care

There are such positive feelings that all of us associate with being home. When we are not feeling well, most of us ask to go home. When we are feeling well, we enjoy the sanctity of our residences and the joy of being with our loved ones. Home care keeps families together. There is no more important social value. It is particularly important in times of illness.

Our mission is to enhance the lives of our clients and their families by providing the highest quality care, companionship and support.

“I would like to thank you for all the support and kindness you have given to me... You made it easier to cope and always had the time to listen.”

Nursing & Residential

The food must be good enough for a restaurant, the setting must be good enough for a hotel, however, the care is the most important element and must be the best part of the experience.

The home caters for a variety of care requirements from frail and elderly residents who need assistance with their care, to those who require respite or full 24-hour nursing care from registered nurses. Whatever your personal circumstances are, Cheval Roc will find the right solution.

Cheval Roc focuses on individually tailoring care. Carers work around desired routines to make sure Cheval Roc feels like a home from home.

Expect to receive first class, individual care and to be treated with the utmost dignity and respect.
